

Domaine Sigalas 7 Villages

Domaine Sigalas released a line up of Assyrtikos from vineyards in 7 different villages of Santorini, and more specifically Akrotiri, Fira, Imerovigli, Megalochori, Oia, Pyrgos and Vourvoulos villages. All wines remained in stainless steel tanks with their lees for about a year.

The aim is to highlight differences even at village level of an anyway exceptional wine as Santorini Assyrtiko. The 7 bottles are sold all together, since this is the production goal, addressing collectors and Santorini Assyrtiko lovers.
