

Domaine Sigalas ‘Kavalieros’ Single Vineyard Assyrtiko

KAVALIEROS

Single vineyard assyrtiko

DOMAINE SIGALAS

“Sigalas is one of Greece’s finest white wine producers--in fact, a short list candidate for the best. This producer is universally acclaimed for his skill with Assyrtiko of all types. He is simply a master with this grape.” - Robert E. Parker's The Wine Advocate

Situated in the small picturesque village of Imerovigli, the Kavalieros vineyard overlooks the dramatic Santorini caldera from one of the highest altitudes on the island. The first winery to produce a single vineyard Assyrtiko, Sigalas ages this wine in tank intensely stirring the lees over an impressively long 18-month period. The result is a concentrated, complex and powerful Assyrtiko with a unique lingering persistency on the finish.

The Sigalas Assyrtiko is arguably one of the most acclaimed white wines in the world.

Varietal Composition:	Assyrtiko 100%
